

Guard for their outstanding service and sacrifice. Their determination to protect our fellow Americans and defend our freedom should be an example to us all.●

● Mr. ISAKSON. Mr. President, I wish to honor in the RECORD the 165th Airlift Wing of the Georgia Air National Guard for 10 years of exemplary service on behalf of the United States.

During the wing's decorated career, it served in Operation Iraqi Freedom, Operation Enduring Freedom and Operation New Dawn with the majority of the unit's 900 airmen having been deployed in support of these major war operations.

Over the past decade, the unit has flown over 11,363 hours and 7,441 combat sorties, and in 2004, the wing was the first C-130 unit to deploy and operate out of Iraq and fly under the distinguished "Red Tail" designation 332nd Air Expeditionary Wing.

A unit of precision and valor, the wing crew supported the rescue mission of SEAL Team 10 and 3rd Battalion of the 160th Special Operations Aviation Regiment. During the mission, 16 U.S. servicemembers were tragically killed in action, including three from the wing after a MH-47D Chinook was shot down during a reaction force task in support of the U.S. Navy SEALs. Acting swiftly and heroically, the wing was the first C-130 aircraft to respond. The courageous response from the unit was later celebrated in Marcus Luttrell's book, *Lone Survivor*.

The 165th Airlift Wing of the Georgia Air National Guard has set a standard of military excellence, and its decade of service during the War on Terror has demonstrated remarkable strength and diligence.

It is with great pleasure that I recognize the altruism and bravery showed by the 165th Airlift Wing of the Georgia Air National Guard and thank the unit for its courageousness and dedication toward protecting the freedom of our country.●

TRIBUTE TO WILBUR FAISS

● Mr. HELLER. Mr. President, today I wish to recognize a true Nevadan, humble public servant, and dedicated family man, Wilbur Faiss. Believed to have been the Nation's oldest-living legislator, Mr. Faiss's passing is a great loss and his commitment to serving the Silver State will never be forgotten.

Representing Las Vegas, Mr. Faiss served 2 terms in the Senate from 1976 to 1984. During his time in the Legislature, he authored two important laws, including one allowing pharmacists to substitute affordable, generic brands in place of name brand drugs, and another to allow seniors to access State parks and campgrounds for free. Mr. Faiss was also a strong advocate for the Equal Rights Amendment in 1977 and has professed that voting in support of that piece of legislation was one of the proudest moments of his life.

On his 100th birthday, Mr. Faiss lent advice from his experience in the Sen-

ate, stressing the importance of compromise and a positive outlook, whether in your professional or personal life. It is clear that he practiced these sensibilities in the Senate and at home. His marriage of 79 years to his late wife, Theresa, is a testament to this philosophy. In 2012, he and Theresa were recognized as one of the longest married couples in the U.S.

The citizens of the Silver State were fortunate that such a dedicated and passionate individual called Nevada home. Mr. Faiss serves as an example for others who hold the role of public office. My thoughts and prayers go out to his three sons, six grandchildren, five-great grandchildren, and four great-great grandchildren. Today, I would ask my colleagues to join me in remembering the life of a devoted Nevadan and honoring his accomplishments.●
